NOODLES, PIES, PIZZA, SOUPS, CANNED AND FROZEN FOOD FROM HOME

This is a snapshot of the amount of lunches received by the office today with the expectation that we will heat and prepare the lunches for the students.

Unfortunately this snapshot is becoming a reality on a daily basis and we do not have the staff, the time or the facilities to be able to cater for this amount.

If you are a family who is regularly bringing along these types of items for us to prepare, we are asking that you re-think and provide lunchbox items going forward.

Thank you for your assistance.
