Dear Parent / Caregiver,
Kia ora, Malo e lei lei, Talofa,

We are now at the end of Week 6 and are very pleased with the number of students who are attending regularly. For 2025, the government has an attendance goal for every school to have a higher attendance rate than at the same period in 2024. We are very happy to be meeting this goal so far this term and encourage all our whanau to keep up the great work of having children at school everyday.

STATIONERY

The due date for the payment of stationery has now passed. The cost per student is \$35.00. Please promptly attend to this matter if you have not yet paid. Our preferred means of payment is directly to our bank account (see below). Alternatively we can accept cash payments at the office. Reminders/Invoices will continually be sent home until payment is made.

If paying directly into our bank account, please ensure you give clear details so we can identify your child/family. If you know your child's room number, use this also.

NETBALL AND BASKETBALL

We currently offer Netball for Year 4,5 & 6 and Basketball for Years 3,4,5 & 6 during the winter season.

Meetings will be held in the coming weeks with students who express an interest in playing. These students will be given detailed notices to bring home and discuss with their caregivers.

Both sports are played out of school time at venues in Hamilton city.

Before signing your child up to play, please ensure you have read the notice fully and understand ALL of the requirements to be included in a team.

SPORTS COACHES, UMPIRES etc...

We welcome interest from parents to volunteer as sports coaches, umpires etc. for our extra curricular (after school) sports teams.

If you feel you could offer your services to a sport, (any sport whatsoever) please talk to Whaea Sandy at the office.

The more volunteers we have, the more opportunities we can offer to our students.

ENROLMENT AT FAIRFIELD PRIMARY SCHOOL FOR NEW STUDENTS

The Fairfield Primary School Board of Trustees invites applications from parents who wish to enrol their children at Fairfield Primary School for the period:

28th April – 27th June (Term 2 2025)

Enrolment at the school is governed by an Enrolment Scheme, details of which are available from the school office.

The Board has determined that a total of 6 places are likely to be available for **OUT OF ZONE** students in Year 1. The exact number of Year 1 places will depend on the number of applications received from students who live within the school's enrolment zone.

It is very unlikely any places will be available in Years 2 - 6 for Term 2.

Application forms are available from the school office.

The deadline for receipt of application for Out of Zone places is: 1st April 2025

Parents who live within the home zone and who intend enrolling their child in Term 2 should notify the school office by 1st April to assist the school in planning appropriately for this period. All students in the home zone are entitled to enrol at the school. The ballot only affects students who live out of zone.

If the number of out of zone applications exceeds the number of places available students will be selected by ballot.

If a ballot for out of zone places is required, it will be held on 9th April 2025.

Parents will be informed of the outcome of the ballot within three school days of the ballot being held.

REMEMBER - Facebook is our school's preferred means of communicating notices and events. Please find us on Facebook and "like" or "follow" us to ensure you keep up to date with what is happening at school.

Each class also has their own facebook group. These are closed groups for parents of students in the particular class only. The welcome letter sent home from the class should have included the link for you to request to join. If you are having difficulty finding this, please private message our school page and we will provide the link for you.

PARENT DISCUSSIONS

Thank you to everyone who attended the parent discussions held this week.

We appreciate you taking the time to meet with the class teacher. We hope that the discussion provided you with some valuable insight into how school and home can work together for the benefit of your child's learning. We look forward to the continued partnership throughout the year.

For anyone who missed these discussions, please do not hesitate to contact the teacher if you would like to arrange an appointment at another mutually agreed time.
